Programs cost \$25 per participant - All registration is done through our website, www.jmdc.org Programs have a participant size limit of ten. If you have a larger group call the office for arrangements.

Scouts interested in earning a merit badge at JMDC must register online through Eventbrite. The registration page can be reached through our website www.jmdc.org. Click the Merit Badge link on our home page found under the heading of Upcoming Events. Once you have selected a merit badge program, be sure to choose "select another *date*" to view all dates that merit badge program is offered. Scouts should come to the program prepared. This means they should review the merit badge overview found on the JMDC website under the Downloads tab. Scouts should be prepared to discuss, explain and engage in program topic discussions to meet Scouting requirements. If something is required to be written, it should be done prior to the program so it can be evaluated and discussed with the merit badge counselor. Scouts should bring something to drink, a snack, and be ready to go outside if the Counselor chooses to do so. Uniform dress code is determined by the Scout's Unit. Regardless of Unit policy, JMDC is a family friendly facility and we ask that clothing be family firendly. Closed toed footwear is required.

		November	Start Time	Scheduled Presenter
Sat.	2nd	Chemistry	9:00	Joe
Sat.	2nd	Forestry	9:00	Nathan
Sat.	2nd	Weather	1:00	Joe
